*Preserving and  
sharing community  
history since 1969*

**2020 marks the 5<sup>th</sup> anniversary of Hayden's Ferry Days, a community celebration of Tempe's beginnings.** The festivities will take place over three weekends, from March 5 through March 22 with a wide variety of events and activities in locations throughout Tempe. These include a film festival, tours, an evening of music and art, afternoon teas, car show and a free community festival.

As much as we look forward to the success of these events, we cannot make this happen without the help of generous and involved individuals and companies like yours. We hope you will consider becoming one of our major sponsors for this year's Hayden's Ferry Days. **Your sponsorship will truly help us provide the means to promote Tempe's history and educate those unfamiliar with its past.**

In gratitude for your participation, recognition for you or your company will be included in promotion in advance of and during the event, and at designated locations based on your level of commitment. For your reference, I have included the levels of sponsorship, along with the benefits each provides. If a particular event or program is more suitable, we can tailor the benefits and promotion to your specific needs.

**Please know that the success of Hayden's Ferry Days is dependent on your generosity** and will continue on, to create an amazing Sesquicentennial (150 year) Celebration in 2021. Your donation recognition is cumulative when you give year to year, resulting in prominent recognition in 2021. In addition, your participation now will make Hayden's Ferry Days 2020 the best yet.

For any questions regarding sponsorship opportunities, please contact me at your convenience. Thank you in advance for your consideration. We look forward to your response.

Warmest regards,

Vic Linoff
